Issues Requiring Special Attention

- Review all items carried forward to your 2004 CIPPS Pending File. You may need to delete items applying only to 2003. Be careful with employee records you established using a Goal Amount for stopping deductions (e.g., garnishments). Depending on how these deductions were established, they may automatically reactivate on January 1, 2004, when DOA resets the year-to-date fields to zero.
- **Remote print agencies must leave their remote-print printers on from December 30 through January 1, 2004.** Quarter-end and year-end reports will be processed and distributed to agencies during this time.
- **Payline records will be purged for the Year 2002 after the processing of Year-End Leave processing on January 13th.**

Distribution

Copy this bulletin and distribute it to all appropriate personnel within your agency.

2003 Payroll Processing

Payroll Adjustments Overview

Agencies certify quarterly to DOA that they have reconciled their payroll records and all adjustments have been identified and resolved. In prior years, many agency adjustments submitted for processing at year-end were noted as occurring throughout the year. In addition, many new adjustment requirements are identified during the review of Miscellaneous Exception Reports (see page 7) and during the Year-end reconciliation process.

To expedite year-end processing and facilitate the issuance of W-2s, you must review your payroll records and key all necessary Manual Pay-sets in CIPPS, or submit any manual (off-line) adjustments that have been identified to DOA for processing by the deadlines identified below. Processing adjustments with CIPPS Manual Pay-sets are highly recommended and encouraged.

Note: Manual Pay-sets are most effective when keyed prior to the agency's final (PE 12/24) payroll certification and may require the employee to have some amount of regular pay.

Adjustment Types and Deadlines

There are three basic types of adjustments used to make changes to CIPPS records. The following table lists the deadlines for each adjustment type:

Adjustment Type	Deadline
Off-line YTD Earnings and Tax accumulator adjustments submitted directly to DOA.(e.g. 10/33 corrections)	Received prior to certifying period ending 12/24.
CIPPS Manual Pay-sets	Tuesday, December 30 (most effective in 12/24 Certification)
Year-end (Report 883) Adjustments	Thursday, January 8

Adjustment Type Advantages & Disadvantages The following table lists the common uses and the advantages/disadvantages for each adjustment type. Agencies should carefully consider these when determining which type of adjustment best fits their needs.

Adjust Type	Common Uses	Advantages/Disadvantages
CIPPS Manual Pay-set	Salary repayments; Tax and Deduction refunds and/or adjustments; Manual Voids; Earnings reclassification; Misc. Exception Report adjustments (e.g., Imputed Life)	<p><u>Advantages:</u></p> <ul style="list-style-type: none"> • All refunds and collections processed through CIPPS (if employee receives regular pay). • Changes reflect on employee's 12/31 check stub, Payline, and W-2. • FICA refunds/collections processed through PE 12/24 payroll (if prior to PE 12/24 certification). • FIT adjustments paid/collected through FAD (if prior to PE 12/24 certification). • SIT adjustments paid/collected through CARS. • Most deductions recovered through negative deduction process. • Will reflect on Year-end reports - less work reconciling Year-end. <p><u>Disadvantages:</u></p> <ul style="list-style-type: none"> • If paid adjustment employee must receive a regular pay amount of at least .01 cent. • Terminated employees must be reactivated in order to properly process. • Special processing (page 4) required after PE 12/24
Off-Line Adjustments submitted directly to DOA	Prior quarter adjustments (unprocessed); "10 to 33" adjustments; Misc Exception Report adjustments	<p><u>Advantages:</u></p> <ul style="list-style-type: none"> • YTD adjustments will reflect on Employees 12/31 Check Stub, Payline, and W-2. • FICA refunds/collections processed through PE 12/24 payroll. • Will reflect on Year-end reports - less work reconciling Year-end. <p><u>Disadvantages:</u></p> <ul style="list-style-type: none"> • FIT/SIT tax adjustments can not be processed through CIPPS without data entry of tax overrides and a subsequent pay run. • Any "net" collections require manual deposits. • FIT adjustments require manual adjustments to reflect on Form 941 return. • SIT adjustments require IAT.
Year-end (Report 883) Adjustments	Late Manual Voids; Late salary repayments; Late taxable-nontaxable earnings reclassifications (i.e. late workers comp check); Uncollected Employee FICA; errors discovered during CYE reconciliation.	<p><u>Advantages:</u></p> <ul style="list-style-type: none"> • Changes reflect on employee's W-2. • Changes reflect on Agency's W-2 magnetic-media information returns. <p><u>Disadvantages:</u></p> <ul style="list-style-type: none"> • Changes do not appear on employee's check stub or Payline. • FICA/FIT adjustments require manual 941 return deposit or refund. • SIT adjustments require IAT recovery. • Gross/net adjustments require manual deposit or ATV. • Deductions must be manually recovered. • Time consuming - more work during YE reconciliation.

How to Process Manual Pay Sets and Void Checks

The following must be performed by no later than 2:00 p.m., Tuesday, December 30.

- Key MANUAL PAY SETS into CIPPS,
- Request stop payments of all direct deposit earnings,
- Checks to be voided must be received by DOA, and
- DOA must receive voided earnings notices.

A special "Dummy" payrun will be scheduled Tuesday, December 30 to process manual pay sets and void checks. This procedure will correct an employee's record on the Report 880 (*Employee Quarterly Tax Report*). Because no checks will be written, third-party suspense items will be created for all federal tax, OASDI, HI, and miscellaneous third-party amounts that are part of the voids and/or manual paysets. The following steps need to be taken to clear these items.

Step	Action	Responsibility
1.	Prepare a journal entry charging the agency the total of the suspense items created.	DOA
2.	Delete all items from the Third Party Suspense File as part of the year-end process. These are listed on the U014 report and affect only Federal Tax Deposits (FAD) and agency-level third-party remittances (i.e. Reciprocal State Taxes, Employee Associations, Pre-tax transportation programs, etc.).	DOA
3.	Recover overpayment of federal, OASDI, and HI taxes when 4th quarter Form 941 is filed. Agencies will receive refund checks from the IRS (unless the refund is off-set by other charges).	DOA
4.	Recover overpayments to miscellaneous vendors identified in step 2 above (other than FAD). This may require depositing the agency-level check, subtracting the employee deduction, and processing a payment voucher for the revised amount.	Agencies
5.	Like normal payruns, the "dummy" payrun will recover most employee-level deductions through the negative deduction process. Therefore, if the funds are collected outside of CIPPS and the adjustment is for "masterfile only" updates, contact Denise Halderman at (804) 371-8912 or dhalderman@doa.state.va.us or Judi Ohde at (804) 225-2386 or johde@doa.state.va.us . How to Process Void Checks External to CIPPS

For year-end processing, it is sometimes necessary to process 2003 VOID checks **external** to CIPPS. Agencies must complete the following procedures if it is necessary to void CY 2003 checks after 12/30/03.

Step	Action																		
1.	Do not write on or stamp the check "VOID."																		
2.	Endorse the check "For Deposit Only - by: (agency name)" and deposit it to a Treasurer of Virginia account. Follow established procedures for entering Deposit Certificates into CARS. Also deposit any employee-level third party checks (i.e. garnishments).																		
3.	Agency-level third-party deductions (i.e. Employee Associations and Pre-tax transportation programs) – Recover from vendor or deposit the next check into your agency account, recalculate the amount less the employee deduction, and process a payment voucher to vendor for the correct amount.																		
4.	Direct Deposit (all ACH DD deductions) - To retrieve money from the bank, contact Payroll Production at (804) 371-7799, 371-8385, or 371-4883 or e-mail acallanta@doa.state.va.us . Direct Deposit funds must be retrieved within 5 days of the check date.																		
5.	Prepare an IAT to the Department of Taxation for state tax withholdings. If reciprocal state taxes adjust and request a refund on your Annual Reconciliation & Return.																		
6.	Prepare a VRS 1501 FORM for retirement withholdings. If Optional Retirement Plan, request a refund from DOA.																		
7.	Adjust employee records, as required, using year-end procedures, or request a corrected W-2 (form W-2C) if past the YE certification deadline.																		
8.	Recover miscellaneous employee-level deductions through the following instructions. Refunds requested through DOA will be credited to the agency by CARS journal entry.																		
	<table> <tr> <th>If deduction is...</th><th>Then...</th></tr> <tr> <td>Combined VA Campaign</td><td>Request refund from the vendor</td></tr> <tr> <td>Deferred Compensation</td><td>Request a refund from DOA</td></tr> <tr> <td>DSS Child Support (Ded. 01)</td><td>Request a refund from Department of Social Services</td></tr> <tr> <td>Flexible Reimbursement Account</td><td>Request a refund from DHRM, Office of Health Benefits</td></tr> <tr> <td>Garnishment Fees</td><td>Request a refund from DOA</td></tr> <tr> <td>Health Care</td><td>Request a refund on the Health Care Certification</td></tr> <tr> <td>Supplemental Insurance and Tax Sheltered Annuities</td><td>Request a refund from DOA</td></tr> <tr> <td>U. W-5 Forms

W-5 Forms (*Earned Income Credit Advance Payment Certificate*) expire December 31. Employees who want to continue receiving advance payments of the earned income credit (EIC) **must** complete a new W-5 FORM before the first payroll of the new calendar year is certified. Report 806, *Employees Currently Receiving Earned Income Credit*, lists the participating employees.

Correct Reporting of Employee Social Security Numbers

Follow the instructions accompanying Report 830 to ensure payroll information is reported correctly to the IRS and SSA.

The Social Security Administration can fine agencies \$50 for every incorrect social security number remitted for W-2 reporting.

To identify potentially incorrect social security numbers, Report 830 (*CIPPS Employees Whose SSN Does Not Equal the First Nine Positions of the Employee ID Number*) will be produced that compares an employee's SSN with the employee number. If a discrepancy between a SSN and employee number is identified, your agency will receive this report.

Excess Deferrals

Employers must report amounts that exceed the annual IRS limits for Deferred Compensation or Tax Sheltered Annuities as taxable income. Please check participants' withholdings prior to year-end to insure they do not exceed the maximum withholding limits. The limits for CY 2003 are:

Category	Incremental Amount	Total 403(b) Plan (Annuity) Deduction 39 - Pre-Tax – Limits	Total 457 (Deferred Compensation) Deduction 38 – Deferred Compensation Limits
Normal (Under 50)	N/A	\$12,000	\$12,000
Age 50 + Provision	\$2,000	\$14,000	\$14,000
15 Year "Catch-up"	\$3,000	\$17,000	N/A
General "Catch-up"	Double normal	N/A	\$24,000

NOTE: On 457 accounts, you cannot combine the Age 50+ and the General "Catch-Up" amounts. Also, general "catch-up" cannot be withheld in the year of retirement.

Agencies should use reports 855 and/or 857 (Deferred Compensation/Annuity Excess Deduction Reports) to help identify employees approaching or exceeding the limits. Exercise caution as these reports are estimated projections based on employee masterfile information. Individual limits must be manually recalculated using actual YTD earnings prior to making an adjustment. Please contact J. R. Rodgers at (804) 225-3079 or e-mail him at jroddgers@doa.state.va.us to ensure your agency has been set-up to request these reports.

Miscellaneous Exception Reports

Agency Review & Corrective Action Required

DOA has developed several "exception" type reports to assist agencies in identifying possible problems prior to year-end processing. These reports will be distributed manually the first week of December. Note that these reports may not apply to all agencies. They are produced based on exception criteria; therefore, if you do not receive any of these reports, your agency did not meet the exception criteria and no action is required.

Year-End Processing

Manual Year-End Adjustments Procedures

Follow these instructions regarding year-end adjustments and certification.

- Enter the **TOTAL CORRECT AMOUNTS** clearly on the Employee File Adjustment Form (See Page 24), not the amount to be added to or subtracted from the incorrect amount. **DOA must be able to read the correct amount.** Identify corrections to all required fields (e.g., YTD employee and employer portions).
- Include original pages from Report 883 that contain employee manual adjustments and the total pages of Reports 83 containing *adjusted (Post) totals*. Do not submit the amount of the correction. **The agency Fiscal Officer must sign Report 83.** The Report 883 total **must** also be included to assist in balancing and for W-2 counts.
- Explain why DOA must make your manual adjustments on the reverse of each adjustment form. **Unacceptable or missing explanations will result in a delay as the adjustment will not be keyed until a written explanation is received.**
- If you have SUI adjustments, process the adjustments on Report U057 to VEC. No SUI adjustments should be included on Reports 83 and 883.

NOTE: Avoidable manual adjustments may be reported in the Comptroller's Quarterly Report.

Return the following to DOA by Friday, 5:00 PM, January 9

If you...	Remit the following...
Have manual adjustments,	<ul style="list-style-type: none">➤ Original pages of Report 883 reflecting employees who require manual adjustments.➤ Employee File Adjustment Form (See Page 24.)➤ Final total page of Reports 83 containing adjusted (post amount) totals with agency Fiscal Officer signature, and 2003 YEAR-END CERTIFICATION form (see page 25), signed by the agency Fiscal Officer. W-2s will be generated after all adjustments have been processed and balanced to the certified Reports 83 and 883 total pages. Agencies do not need to return corrected copies of Reports 83 and 883.

Year-End Processing, Continued

Non-Resident Aliens - Form 1042 Preparation

Employees identified by an entry of an "N" in the Alien Code on the *Employee Job Description* screen (H0BUO) are considered to be non-resident alien employees.

All FIT taxes withheld from non-resident alien employees who do not have FICA withholdings have been deposited to IRS as a type 1042 deposit, not a type 941 deposit. All taxes (FIT and FICA) withheld from non-resident alien employees who do have FICA withholdings have been deposited to IRS as a type 941 deposit.

Non-resident aliens whose tax withholdings were deposited as a type 1042 deposit must be reported annually on FORM 1042 (an employer report) and 1042S (an employee report) to the IRS. These employees do not receive a W-2. **Agencies must prepare FORM 1042 and FORM 1042S for their employees. See CAPP Topic, 20320, Information Returns Reporting. DOA will not prepare these forms.**

Non-Resident Aliens – Processing

Agencies must adhere to the following guidelines regarding non-resident alien employees (NR employees).

Step	Action
1.	Report 853 (<i>Non-Resident Alien Tax Report</i>), which identifies all employees recorded as non-resident aliens, will be distributed to agencies with NR employees in mid-December.
2.	Review Report 853, ensuring that listed employees are properly classified as NR employees. Agencies must also identify all NR employees that are not included on Report 853. Note: An employee is not considered a non-resident alien for tax purposes if he/she is paying social security.
3.	FAX a list of employees (agency name and #, employee name and #) to DOA (804-786-9201) by December 23 that: <ul style="list-style-type: none">• Appeared on Report 853 but were not NR employees; or• Did not appear on Report 853 but were NR employees.
4.	At year-end, agencies will receive audit reports (83/883) that <u>will</u> include NR employees. See Manual Year-End Adjustments Procedures subsection on Page 12 for processing instructions.
5.	For each NR employee, complete <i>the Employee File Adjustment Form</i> (See Page 24), checking the box indicating a NR employee. These NR employee records will be dropped from CIPPS files used for W-2 processing (i.e. no W-2 will be generated for these employees).

Turn On Remote Printers

Quarter-end reports (56/880/881) and year-end reports (83/883) will be generated from **December 30 through January 1**. To ensure that remote-print agencies receive these reports, **ensure that your remote-print printers are left on during this period.**

Deductions Generally – Flex and CVC

All deduction year-to-date accumulators will be set to zero on December 31. Any deduction (i.e. garnishments, levies, etc.) using the Goal field to stop the deduction should be checked prior to processing your first payroll in 2004 since it may automatically reactivate depending on how it was established.

Flexible Spending Accounts will be deactivated on December 31 and the goal and amount fields will be “zeroed out.” **The Goal amount that is established during open enrollment for participating employees must be entered before processing the first payroll in January. Set up Flex Spending Accounts as normal. Instructions for Mid-Year changes will be forthcoming in June.** Administrative fees for flexible spending accounts continue to be suspended for Calendar Year 2004.

Combined Virginia Campaign (CVC) deductions will be deactivated on December 31 and the goal and amount fields will be “zeroed out.” **Turn on the deduction and enter the 2004 deduction and goal amounts before processing the first payroll in January.**

Additional information on deductions will be included in the **2004 Payroll Operations Payroll Bulletin** to be issued in December.

Terminated Employee Records

All employee records with an employment status of 3 and year-to-date gross equal to zero will be purged. Agencies will receive a report of employees to be purged at the end of December. Report 860, *CIPPS Employees to be Purged at Year-End Processing*, reflects this information.

Schedule Of Major Payroll Events in January 2004

The Payroll Bulletin that provides Calendar Year 2004 payroll operating information, including the January through June 2004 Payroll Operations Calendar, will be distributed to agencies in December 2004. An interim list of major payroll events occurring in January 2004 is illustrated on the previous calendar. All dates listed are final completion dates. Data will be processed as DOA receives it.

Year-End Leave Processing & Accounting

Calendar Year-End Processing for CIPPS Leave Accounting

In accordance with DHRM policy, annual leave balances will be reduced to the maximum accrual limits (indicated in the Annual Leave Policy, Number 4.10) as of the close of business (leave keying deadline) on January 13, 2004.

DOA will provide agencies Report U028 (*Leave Accounting Pending Annual Leave Lost*) to identify employees who may lose annual leave at the end of the newly established calendar year.

- Report U028 will be generated November 25 and December 12. Individuals listed will have a warning message on their earnings notices dated 12/16 and 12/31 stating that annual leave may be lost if not used by January 9, 2004.
- The Report U028 generated for leave as of 11/24 on 11/25/03 **will only reflect accruals for two payperiods (PE 12/9 & 12/24)**. This means you will have to **add another period** of annual leave accruals (for 1/9) to these individuals' balances to reflect a more accurate number of hours that may be deleted on the close of business 1/9/04. Additionally, this report will **not** list employees that may only exceed their annual leave limits with the third, or unprojected, period.
- The report generated for leave as of 12/9 on 12/12/03 **will reflect the accruals for the remaining two payperiods** (12/24 & 1/9) of the calendar year. This report **will** also **list** those employees who at that time may exceed their annual leave limits (employees who were missed on the first generation of Report U028) on January 9.

At close of business January 13:

- Leave balances will be updated with leave transactions that have been entered for the period ending January 9.
- Accruals for annual and sick leave will be generated.
- Year-to-date leave usage accumulators with the exception of military leave will be zeroed (i.e., sick family, family/personal, civil, community service, etc.) and any excess annual leave will be deleted based on the employee's years of service.
- Yearly allocations of VSDP leave will occur.
- **System will not be changed for CYE 2003 to implement leave bank policy for Military Personnel. Manual records will be required to be maintained for eligible employees.**

Note: Maintenance entries may be required for receipt of late leave slips.

VSDP Recipients

Employees coded as "VSDP Recipients" on the HPIUS will **not** receive their annual Sick Personal (SP) and Family Personal (FP) leave allocations. Some employees who received prior STD benefits have returned to work but still have the SDP Recipient indicator coded "Y". DOA has developed Report 902 to identify all employees with the SDP recipient indicator still on. Agencies interested in requesting this report should contact J.R. Rodgers at (804) 225-3079 or jrodgers@doa.state.va.us to have their CIPPS Company Header updated prior to using the on-line request (HSRUP).

W-2 Forms

Overview

This year, DOA will again issue laser-printed W-2s. There will be one sheet of paper folded in half inside a sealed envelope for each employee. The sheet will contain four original employee copies of the W-2.

An employee may receive more than one W-2 if taxes were withheld for more than one state or locality. An additional W-2 may also be generated if an employee has more than 4 entries in BOX 12 or if the employee had more than one Employee ID Number in CIPPS.

Your employer copy of the W-2 will have four employees per page. Employer copies will be printed subsequent to the employee W-2s and mailed under separate cover in February. Additionally, employer copies of W-2s will be available on CD-Rom. DOA will no longer offer the option of microfiche. If you are interested in obtaining employer copies on CD-Rom, please contact: J.R. Rodgers at jroddgers@doa.state.va.us, by December 31st. At this time, no charge is anticipated for this service.

DO NOT SEND PAPER COPIES OF W-2s to the Internal Revenue Service (IRS)/Social Security Administration (SSA). As in the past, DOA will submit W-2 data to the IRS/SSA, as well as to the Virginia Department of Taxation and Virginia Employment Commission.

Agencies withholding other state taxes under reciprocal agreements are responsible for filing their own reciprocal state reconciliations and information returns. Additional Employer Copies of D.C., MD, and WV W-2's will be provided for this purpose. Please be aware of the specific filing deadlines in each individual state.

Distribution

Complete the W-2 DISTRIBUTION FORM (See Page 27) and FAX it to J.R. Rodgers by December 17 at (804) 786-9201.

This form is broken down into the following sections:

- **Distribution** - Agencies can choose whether to pick up their W-2s at DOA or have them mailed via UPS. No other distribution methods are available.
- **Sort Order** - Agencies can select the sort order for their W-2s. The *Standard* W-2 sort order is alphabetical by employee (last name, first name, and middle initial) within organization code. The *Agency* sort order is alphabetical by employee within the agency (i.e., ignores organization codes). Please review your distribution process and indicate your preferred sort order on the form.
- **Agency Contact** - Agencies must provide a primary agency contact for DOA to notify regarding W-2 distribution. DOA will notify agencies when their W-2s are ready for distribution.

W-2 Changes Note the following regarding W-2 changes:

- If personal information needs to be corrected (e.g., employee's new home address), agencies may need to request a correction to the Calendar Year 2003 employee records.
- If the request for a new W-2 was due to an error in reported wages or tax amounts (e.g., incorrect data on the W-2), perform research to determine if a W-2C is necessary instead of a reissued W-2. Contact J.R. Rodgers if discrepancies are noted.

How to Request Reissued W-2s The IRS does not specify the timeframe in which duplicate W-2s must be reissued. **Agencies must maintain copies of reissued W-2s for 4 years.**

When employees request that you issue duplicate W-2s, agencies have two options:

Option	Action
1	Check your returned W-2s file to see if the W-2 was returned as undeliverable. If so, send this copy to the employee. If the W-2 was not returned and the request for a new W-2 is for <u>replacement purposes only</u> , give the employee a <u>copy</u> of the agency's W-2 marked "REISSUED."
2	DOA offers 2 special runs to produce reissued W-2s using CIPPS: February 13 and February 27, 2004. Have the employee complete the "Employee Request for a Reissued W-2 Form" form (See Page 26) and FAX it to J.R. Rodgers at (804) 786-9201. A separate form is required for each reissued W-2 requested. Contact J.R. Rodgers at jroddgers@doa.state.va.us for additional guidance.

Listed below are the two special pay types and how they will be handled for W-2 reporting.

Deceased Worker's Wages

To ensure that deceased employees are properly recorded in CIPPS, the employee's Termination Reason Code on the H0BES screen must be coded with a value of **01**. Report 891 (*Employees With YTD Deceased Pay*) will be provided, listing all employees in your agency that have been paid either Deceased Pay One or Deceased Pay Two. A 'deceased' status is no longer reflected on the employee's W-2, however, Deceased Pay amounts must still be reported as follows:

Special Pay Type	How Handled For W-2 Reporting
Military Pay (<i>Special Pay –44</i>)	<ul style="list-style-type: none">The Federal wages associated with Military Pay must be reported on a Form 1099-MISC. Refer to the IRS instructions for 2003 Form 1099-MISC for proper entries on the 1099-MISC.
Deceased Pay One (<i>Special Pay 54 - current year</i>)	<ul style="list-style-type: none">During year-end processing, DOA will back-out these wages from FIT Nontaxable Wages. These amounts will not be included in WAGES on your year-end audit reports.Both the OASDI/HI Taxable amounts and the OASDI/HI Taxes Withheld will be included on your year-end audit reports and will also be reported on a W-2.The Federal wages associated with Deceased pay must be reported in Box 3 on a Form 1099-MISC. Refer to the IRS instructions for 2003 Form 1099-MISC for proper entries on the 1099-MISC. The 1099-MISC should be made out to the name and SSN of the beneficiary if paid to an individual or the name and TIN of the estate if paid to the executor/administrator of the estate. 1099-MISC should <u>not</u> be made to “the estate of...” with the deceased employee’s SSN.
Deceased Pay Two (<i>Special Pay 55 - prior year</i>)	<ul style="list-style-type: none">Excluded from either your quarter or year-end reports. Wages paid <i>in the calendar year after death</i> are exempt from FIT, OASDI, HI, and State withholding.The agency must report this compensation on a Form 1099-MISC to the estate or beneficiary of the employee. A W-2 is not an appropriate reporting instrument for this payment.

Box 12 Entries DOA will report the following amounts in box 12 on the W-2:

Item Reported	Box 12 Code
Tax Sheltered Annuities (403-b) amounts (Deduction 39)	E
